

GLOBAL FINANCE QUALIFICATION

ACCA

Association of Chartered Certified Accountants

The world's most widely recognised professional accountancy qualification — awarded by ACCA (UK) and respected by employers in over 180 countries. Builds expertise across accounting, audit, taxation, financial management and strategic leadership.

13 exams · 3 levels

Recognised in 180+ countries

Up to 9 exemptions

Big 4 & MNC pathway

1 About the qualification

ACCA equips you to work anywhere in the world as a finance professional. Alongside the exams you complete an Ethics & Professional Skills module and 36 months of practical experience (PER) to qualify as a member. Graduates and CA-track students can claim exemptions and finish faster.
